ABOUT US

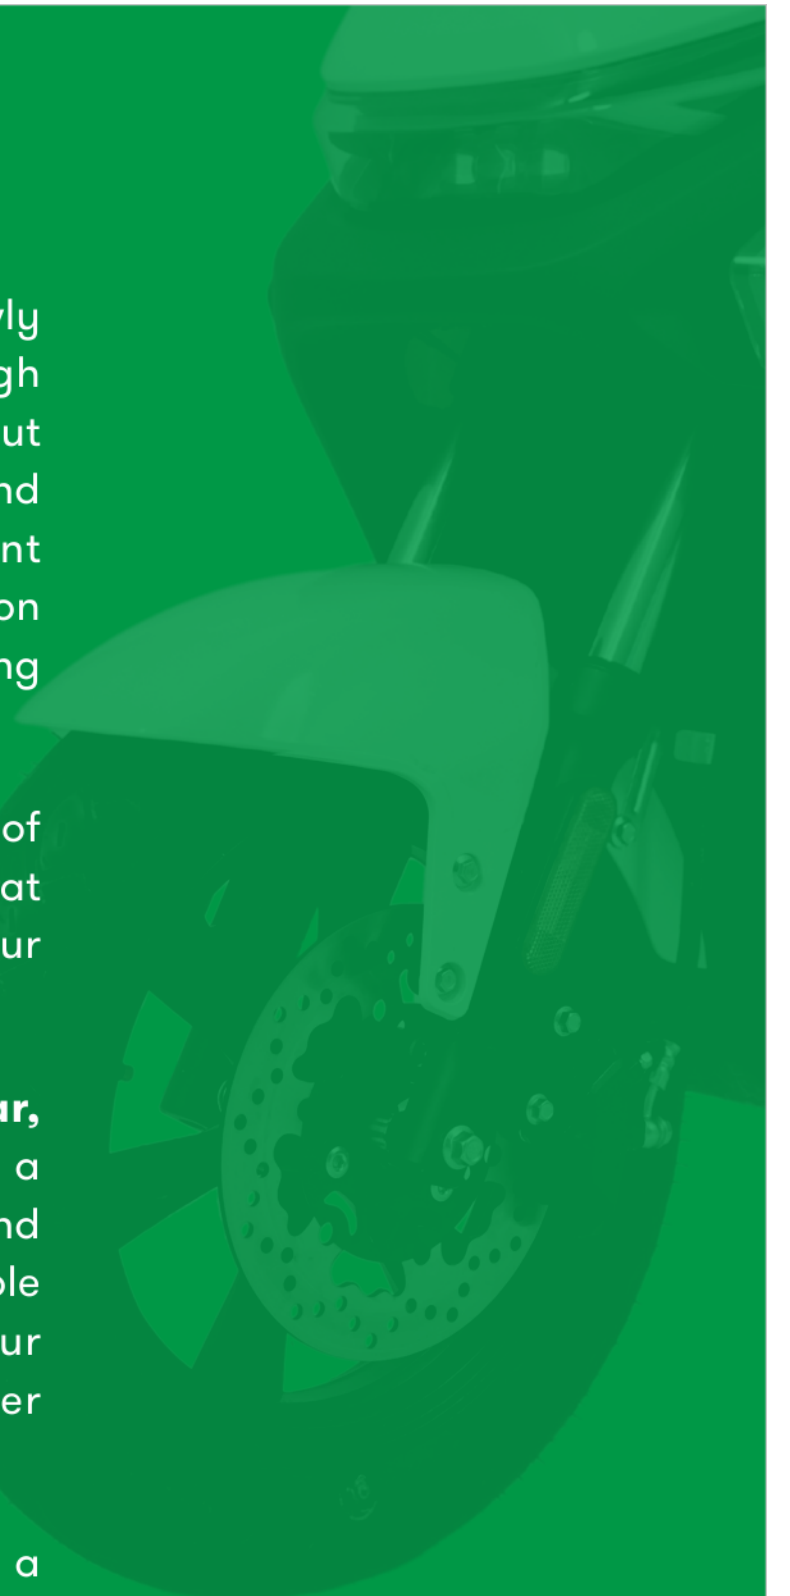

Gajanan EV And Solar a newly Conceptualized organization though this is one year- young organization but its backed by 40 years of marketing and manufacturing expertise in different fields by a techno-commercial person with always a thought in mind to bring the best for the people.

With one year of market seeding of our product in different areas of Gujarat we have poised for marketing of our products on All India basis.

We, at **Gajanan EV And Solar,** think that even though you are giving a best product, After Sales Service and Company Support having a crucial role and a vital for sustainability of our Dealer and grow along with Dealer Network.

We believe that Dealer is a backbone of each and every Company and growth of a dealer can only grew Company and not a vise varsa.

We are always open to hear from our Team and Dealer Network to grow together.
